

NEW YORK INSTITUTE OF MASSAGE ANNUAL CAMPUS SAFETY AND SECURITY REPORT

The Administration of the school is very concerned about the safety and security of our students, staff, and faculty. The United States Department of Education (D.O.E.) is also concerned about safety on college campuses throughout the country. For this reason, the D.O.E. requires that we notify you of the number and types of crimes, which have occurred, on our campus in the past. The following statistics have been compiled from the incident reports, which have been filed by our students, staff, and faculty.
